

VOLUNTEER GUIDE

SURVEY TEAM

- When you arrive at your assigned park, **check in at the Volunteer Check-in and Information Booth** to get your t-shirt and instructions.
- Walk around the parks, asking Sunday Streets participants to fill out a simple survey.
- The survey will help Sunday Streets understand:
 - Who comes to Sunday Streets
 - Where they come from
 - What they would like to see at future events
- Turn completed surveys into the Volunteer Check-in and Information Booth at end of your shift.
