

Volunteer Descriptions

INTERSECTION SUPERHERO – 120 volunteers

Shift 1: 11:30am – 2:00pm

Shift 2: 1:45pm – 4:15pm

What makes this position cool: This is the #1 most important volunteer position of the event! Receive smiles and thanks while you wave and cheer on participants. Express your creativity with chalk, music or another hidden talent.

Details: In order to hold this event, we must close over 3 miles of streets to car traffic. Help with participation traffic flow, answer questions, redirect neighborhood traffic, and set up or take down barricades at your intersection. Some volunteers will be asked to count event participants at different intervals.

MOBILE SUPERHERO – 6 volunteers

Shift 1: 11:30am – 2:00pm

Shift 2: 1:45pm – 4:15pm

What makes this position cool: Volunteer from the seat of your favorite bike.

Details: Much like the Intersection Superhero, by monitoring a section of the course by bike. Help vehicles move through the course when needed, help out participants and support other volunteers.

BICYCLE ESCORTS – 10 volunteers

Shift 1: 11:30am – 2:00pm

Shift 2: 1:45pm – 4:15pm

What makes this position cool: Volunteer from the seat of your bike and get a FREE bike bell!

Details: Safely escort residents/cars that live inside the route outside of the route with a bell ringing bicycle posse.

INFORMATION SUPERSTAR – 20 volunteers

Shift 1: 11:30am – 2:00pm

Shift 2: 1:45pm – 4:15pm

What makes this position cool: Be the face of Sunday Streets to event participants. Welcome people to the event and tell them where to go.

Details: Answer people's questions, hand out brochures and help set up or take down info booth.
